Poole staff £25.00

Outside Poole Staff £30.00

Students £20.00

Pre-eclampsia affects 10% of all pregnancies and causes the deaths of at least 3 women every year in the UK.

As a midwife you will be affected too.

APEC brings together the leading experts in pre-eclampsia and give you the most up to date knowledge about how to deliver evidence informed care and share best practice.

APEC is the only national charity dedicated to educating, informing and advising health professionals and the public about pre-eclampsia.

Registered charity no. 1013557
